

How to Choose a College Major

Exit Ticket Day 2 - Listen to your gut

Instructions: Think about what we've discussed over the last two days. We've identified your passions and interests, spent time in self-reflection, learned about different college majors, and what questions you need to ask to find the right "fit" for you. Now it's time to "listen to your gut." What is it telling you about your future? Share your thoughts below.
